Ladies and Gentlemen:

#### **Report on the Financial Statements**

I have audited the accompanying statement of financial position of WURC – FM Radio Station of RUST COLLEGE, INC. (a not-for-profit corporation), of June 30, 2020 and the related statement of activities and statement of functional expenses for the fiscal year then ended, and the related notes to the financial statements.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error.

**INDEPENDENT AUDITOR'S REPORT**

In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WURC – FM Radio Station of Rust College, Inc.'s internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Opinion**

In my opinion, the financial statements referred to present fairly, in all material respects, the financial position of WURC – FM Radio Station of RUST COLLEGE, INC. as of June 30, 2020 and the changes in its net assets for the year then ended in accordance with accounting principles generally accepted in the United States of America.
